

## There Was an Old Man Who Lived...

RAIN BARREL has been home these past three months for 72-year-old John Bassol, Edmonton junk scavenger. Old refuse says junkyard home keeps him dry and

## Tin Rainbarrel Is Home For 72-Year City Oldster

### MONEY IS USEFUL MORE THAN ONE WAY

VENICE, Italy, Sept. 2.—(AP)—It pays to have money.  
John James Meoli, 65, of San Jose, Calif., who has a bullet in his hip.  
Meoli was in a tourist-filled launch which ventured after dark too close to San Giacomo, a restricted military island near Venice, and drew a shot from a guard.  
His bullet, thick with travellers' cheques, stopped the bullet.  
He showed the evidence at the United States consulate.

## Pipeline Application To Be Heard Thursday

TORONTO, Sept. 2.—(CP)—A spokesman for the Imperial Oil Company here said today application has been made for an extension eastward to the Great Lakes of the company's 450-mile Edmonton-Regina pipeline from new oil fields in Alberta.  
Extension of the line would bring it south from Regina to the Wisconsin border at Grenville, Minn., and eventually to the Great Lakes. 2,100 miles from the crude-oil source and would cost an estimated \$100,000,000, the spokesman said.

### HEARING THURSDAY

The application is scheduled to be heard by the Board of Transport Commissioners at Ottawa Sept. 8.  
The company spokesman was commenting on a report from Superior, Wis., yesterday which said Superior would be the terminal of the line, and that it was proposed to erect a \$3,500,000 terminal pumping station and tank farm to handle operations there.  
"Serious consideration is being given to extension of the line from Regina to the Great Lakes," he said, "but no official decision has been made yet. No mention is made of any points in the United States because the transport board has no jurisdiction there."

He said no action could be taken on the pipeline extension until the board decision is received.  
The American report said oil would be piped into Superior under customs bond and then pumped

warm, but police have told him to "move on." Bassol was sleeping on pile of rags in tin barrel near CNR yards.

### SOMETHING NEW EVERY MINUTE

RED WING, Minn., Sept. 2.—(CP)—APL employees of the Red Wing public works announced today that they don't want a pay raise.  
"Most of us are taxpayers," they said. "This is our contribution to fight higher taxes."

### NEEDS NEW HOME

By John McLean  
When you're 72 and have no place to live, even a rain barrel can look good to you.  
That's what John Bassol says anyway. And he ought to know—he's been living in one for more than three months.

The police caught up with old John last night. Sure enough, he was sleeping in an old overturned water barrel in a junk yard off 7th street.

But old John looked clean and comfortable so the cops didn't tell him to move on.

"Stay the night," they told him. "But you'll have to find some where else to live tomorrow."

I found John Bassol today as he returned to his tin "home," a sack full of old junk along with his best shoulder.

"Yep," he said. "The police said I'll have to move, so I guess I will. But I'm mighty comfortable in this old barrel. I never get wet. I've got lots of rags, so I'm never cold."

When living here well over three months now, but the cops say I gotta go. . . .

### CHANGED NAME

Stuhli-chinned old John Bassol said he'd changed his name some time ago.  
"Alice," he said, and he pulled out an old letter. "This is what they used to call me."

The letter was addressed to Jack Bostick.  
"Although the future holds little or nothing for old John, he isn't worried about it."

"Alice," he said, "I'm harvesting," he told me as he laid down the sack of old bottles and erp.  
"OLD HARVESTER"  
Used to harvest all the time. But I'm not so young now, and not so good.  
"I'm afraid I won't be able to get a job."

And old John shuffled off to gather another bag of scrap.

## Three Youths Die in Crash

NEW LISKEARD, Ont., Sept. 2.—(CP)—Three youths were killed and five others critically injured early today in a level crossing automobile train collision at Thornton, Ontario.

Police said the accident occurred when an Ontario northern railway train plowed into the car.  
Dead are:  
Hubert Mallie, 18, Notre Dame des Laurentides, Que., driver; Robert Tremblay, 17, Val D'Or, Que.; Gilbert Mallie, 15, New Liskeard.

Critically injured and still unconscious are: Norman Mallie, 15, and Henrietta Mallie, 14, Notre Dame des Laurentides; and a 12-year-old, Thompson, 15, New Liskeard; Fleurette Miron, 17, Uno Park.

## City Utilities Revenue Sets 7-month Record

## Senator Ian Mackenzie Is Dead

Noted Statesman, Scholar Victim Of Heart Seizure

BANFF, Sept. 2.—(CP)—Senator Ian Mackenzie, 59, of British Columbia, died here today. He had been in hospital since last Monday after suffering a heart seizure while holidaying in this area.

His wife was at his bedside when death came at 3:15 a.m. Senator Mackenzie took a decided turn for the worse yesterday after making some progress in hospital.

His physician, Dr. P. C. Castigan of Banff, said a steady improvement which was noted from Tuesday morning stopped early Thursday and his condition gradually became worse. He was unconscious a good deal of the time yesterday.

He was stricken while holidaying at Runka Lodge, 14 miles west of Banff.

WED 2 YEARS AGO  
The six-foot-two Vancouver lawyer was a member of the commonsense two years ago, was a member of the Liberal cabinet at Ottawa from 1935 to 1946, when he was appointed to the upper house.

As defence minister from 1935 to 1939, he directed Canada's military planning for the Second World War. Later he held the posts of health and welfare and veterans affairs.

## Expenditures Climb To Reduce Surplus

Civic utilities chalked up an all-time high revenue of \$5,917,560 in the first seven months of 1949. But mounting expenditures also on electricity and revenue that the year's accumulated surplus is down \$42,862 from the corresponding period of 1948.

From January 1 to July at the five utilities (electric light, power, plant, transit system, telephone and waterworks department) collected \$5,917,560 more than the \$5,874,698 collected in the same period a year ago.

Revenue for the month of July was \$800,384, or \$101,208 over the 1948 figure of \$699,176.

EXPENDITURES CLIMB  
But in the period ending July 31, expenditures by the five utilities climbed \$64,719 over last year's \$3,358,210 to reach \$3,422,929.

This reduced the seven-month surplus to \$2,494,639, compared with the corresponding figure of \$2,517,560.

Surplus for the period was allocated as follows: General revenue account, \$259,042, compared with \$190,397 last year; plant extension reserves, \$353,045, compared with \$465,382 last year. Total allocated for the first seven months of 1949 was \$612,087, compared with \$655,779 last year.

CHARGES INCREASE  
Debit charges to date this year have been \$44,072, an increase of \$101,739 over last year's \$440,333.

Taxes paid by the five utilities this year is \$303,751, or \$20,474 more than the \$183,277 paid during the first seven months of 1948.

Surpluses for the period are as follows:

Electric light — \$132,467 \$177,335  
Power Plant — \$22,320 306,282  
Telephone — 145,433 139,126  
Waterworks — 71,137 97,056

TRANSIT DEFICIT  
Edmonton Transit System showed a deficit of \$18,821, compared with a July 21, 1948 figure of \$61,097.

Telephone and waterworks departments are now without any expenditures since the last month of department about a \$373,251 deficit in reserves, while the waterworks deficit is \$65,191.

Electric light department on July 31 had \$129,258 in reserves; the power plant had \$89,556, and the transit system \$353,811.

## 2 Lose Lives In East Storm

By The Canadian Press  
A storm that lashed across Ontario and Quebec, taking at least two lives and leaving a trail of uncounted damage, today blew itself into a blizzard over the head of territory of Quebec's remote Ungava northland.

Weather bureau officials said the storm, which swept eastward yesterday after forming over Georgian Bay, still had a few left kicks. They predicted winds averaging 15 to 20 miles an hour over most of its path.

"Enough to make you hold your breath," he said, "but not enough to do much damage."

It showered rain and hail on some districts, and strong gusts, uprooted and broke trees and poles with gusts ranging up to 60 miles an hour.

The two persons killed in Quebec were construction foreman Raymond Smith, 35, hit on the head by a wooden bridge platform that the wind whipped into the air, and Achille Ouellet, 37, electrocuted at Valleyfield when a high-tension wire was blown down.

At Quebec, heavy rain and strong winds were blowing down.

## Minister, Bootlegger Have Double Trouble

OKLAHOMA CITY, Sept. 2.—(AP)—Baptist Minister Thomas R. Byford is a patient man, even when he is continually mistaken for a bootlegger.

"It seems that customers of Harold Byford, convicted Oklahoma city bootlegger, mistakenly call the minister when they get low on spirits in this cosmopolitan city," he said.

"Ninety days for months, the slightly tipsy have been phoning for delivery service."

The minister thought it was amusing at first, but then it became more than annoying.

"One fellow even called me from Detroit and said he had a truckload ready to leave," Byford explained. "I tried to tell him he had the wrong number but I couldn't make him understand. Finally I told him I could give him a number to call. I gave him the number of the sheriff."

## TO CLEVELAND

Don McKay, executive secretary of Edmonton Chamber of Commerce, left Thursday for Cleveland, where he will attend the National Air Races.

He will observe operation of the big show and contact exhibitors and participants to see whether they would be interested in coming to Edmonton next year for the proposed air show.

In Cleveland Mr. McKay will be joined by D. R. Jacob, honorary manager of the air show plans for Edmonton, who is now in eastern Canada on business.

## COMING HERE

Jasper Park lodge maestro Len Hinkins will be in Edmonton for a couple of hours recently. Len, who divides his time between Ottawa's Chateau Laurier and Jasper, flew down for the afternoon with Edmonton coal man, Jack Starkey. Hinkins and his Melroseville band will be in Edmonton for a one-night stand September 16.

## GOOD PROGRESS

C. H. Withers, president of Withers Oil Drilling Co., Lloydminster, has been on a business visit to Edmonton. He reports steady progress in Lloydminster area drilling and production.

## A NEW ANGLE

When a delegation meets the government or a cabinet minister it is usually for one of two purposes, maybe both, first, to register complaints or, second, to argue for a share of government funds.

But the other day it was different. A five-man delegation representing the Alberta branch of the Canadian Cancer Society called on Hon. Dr. W. W. Cross.

"They didn't have either of the usual purposes in mind," the health minister remarked cheerfully, "they just wanted to know what they could do to help the government in furthering cancer control and treatment in Alberta."

## CHEMIST HERE

President of Chipman Chemicals Ltd., J. D. Rutten, Winnipeg, is paying a routine visit to Edmonton.

## STEEL MEN TOUR

Headed by G. W. Hutchins, Winnipeg, president, Western Products Ltd., a party of executive officials arrived in Edmonton today. Accompanying Mr. Hutchins are E. S. Sargant, Toronto, vice-president and general manager, and W. S. Sparrow, sales manager, western division.

They are conferring with A. J. MacEwan, Edmonton plant manager, and other local officials.

# Gov't Probes Car Charge By Dealers

Allegations of unfair practices by some used car dealers in Alberta will be investigated at a meeting today called by the Alberta department of industries and labor.

Labor department officials and the advisory committee of the automotive industry will discuss a letter submitted to the department in July by the Calgary and Edmonton Automotive Dealers' Association.

The brief complained of unfair trade practices by some used car dealers who allegedly were bringing in to Alberta from Eastern Canada convoys of cars and trucks and selling and advertising the vehicles unfairly.

Practice was contrary to the code of fair competition and business practices, the dealers claimed.

Conference is being called under the provisions of the Alberta department of industry and labor Act. Hon. Dr. J. L. Robinson, minister of the department, will head the conference.

Members of the advisory committee who will attend include: Charles Beny, Lethbridge; H. F. Boyle, Edmonton; Fred Cherry, Edmonton; D. O. Fredericksen, Calgary; W. Harvey, Lethbridge; Fred Jenner, Red Deer; W. E. Lord, Red Deer; K. M. Montague, Edmonton; E. B. Olson, Edmonton; J. G. Patterson, Calgary; P. A. Paulson, Camrose; and Fred Stappell, Calgary.

# City Sea Cadet Wins Scholarship

A scholarship valued at about \$500 has been awarded to 17-year-old Eric Arthur Makin, 11660-90 street, by the Navy League of Canada.

Eric is a Sea Cadet training at the joint services college at Royal Roads, near Esquimalt, B.C. He is the son of Mr. and Mrs. Harold Makin of this city. Graduate of Westleigh high school, Eric was associated with the sea cadet movement here as well as in England.

Penneyfather, 22, of 10222-85 street, Edmonton, shown talking to driver Russel Peterson of '22, and Ron Kachans, right, of 144 Alice Street, Brantford, Ont. Youths were tw. of 40 Canadian entries in third International Plymouth Model Plane Contest held at Detroit. Penneyfather was winner of Bulletin Junior Air Show at Nainao in July and went to Detroit as guest of newspaper and Kenn's Service Garage.

# Here Is an Open Letter To Every City Driver

Yesterday my daughter, six years old set off for her first day of school.

She wore her pretty new dress with the blue figures, her red shoes, and a cocky bow in her pig-tails.

Her cocker spaniel, "Toots" sat on the front porch and whined his canine belief in the folly of education as she waved "good-by" and started off for the halls of learning.

Last night we talked about school. She told me about the girl who sits beside her—the one with the yellow curls—and the boy on the other side who makes funny faces.

She told me about her teacher with eyes in the back of her head, and about the trees in the school yard and about the big girl who doesn't believe in Santa Claus. She thinks she's really going to love learning how to write and read and spell, and she's looking forward to sending her first note to Grandma.

She's in bed now, sound asleep with Susie cuddled in her arms.

You guys wouldn't hurt her, would you?

You see, I'm her daddy. When her doll is broken, or her finger cut, or her head gets bumped, I can fix it.

But when she starts across the street, then she's in your hands.

# NORTH TB. VICTIMS DELAYED ENROUTE

RCAC Canoe amphibious craft scheduled to leave Coppermine yesterday with eight tubercular Eskimos bound for hospitalization here has been delayed due to technical difficulties, officials announced today.

The plane, from "K" Flight, North West Air Command, was to have flown the patients to Sawmill Bay, on Great Bear Lake, where a 438-Squadron Dakota transport awaited them last night.

The Eskimos will be treated in the Charles Camell hospital.

She's a swell kid. She can run like a deer and dart about like a chipmunk. She likes to climb in the jungle-jim, to ride her bike, and to have us all go on picnics Sunday afternoons.

We've taught her to look for cars and trucks before she crosses the street. I think she takes more than ordinary care when she's crossing intersections.

But I can't be with her all the time—I have to work to pay for her clothes and her education.

So—PLEASE drive carefully past schools and intersections.

And remember that children frequently run from behind parked cars.

PLEASE DON'T RUN OVER MY LITTLE GIRL.

PROUD PARENT.

## Autobus Burns

RIGAUD, Que., Sept. 2.—(CP)—Thirty passengers of a Montreal-Ottawa autobus escaped uninjured last night when the vehicle was destroyed by fire on the highway near here.

# Bitumont Oil Plant Closed for Winter

Water Levels Hindering Efficient Operations Now

Low fall and winter water levels will force suspension of oil stripping operations at the Alberta government's Bitumont plant at the end of this month.

Work will be resumed early next spring.

This announcement was made today by Hon. Dr. J. L. Robinson, minister of industries and labor, and secretary of the plant board of trustees, following a meeting between plant officials and the trustees.

Bitumont plant is located 65 miles south of Fort McMurray, and yields about 200 barrels of crude daily as oil-rich sands in the area are excavated and stripped.

At present a sand bar is adversely affecting the water supply for plant operations, and this, with the seasonal reduction in water levels, will make suspension of operations necessary during the winter.

Employees of the plant will be asked by the government to find temporary winter employment in Edmonton, so that they will be available when operations are resumed next spring.

Meanwhile, the government will survey the possibility of installing a one-mile pipeline to carry a permanent water supply to the plant.

"The pipeline project would cost an estimated \$50,000," Dr. Robinson said. "But there is a possibility that next spring's break-up may clear the river channel and make water supply without the need of a pipeline."

# Music Leader Is Retiring

Herbert Wild, 36 years director of music for Alberta colleges, has retired.

Announcement was made yesterday by Rev. G. H. Villett, principal of the college.

Though taking part in none of the Alberta College music programs, Mr. Wild will retain his post as organist and choirmaster of Holy Trinity Anglican church on the South Side.

An associate of the Royal College of Organists of England, and the Royal College of Music, Mr. Wild came to Edmonton in 1933 from St. George's church, Stockport, England.

Holy Trinity organist and choirmaster since 1934, he has directed the choir and organist of the church for five years and directed operas presented some years ago by the Sylvania Club.

Mr. Villett said no one will be chosen to replace Mr. Wild "for some time yet."

# Fire Bosses Will Get New Agent

Fire bosses in Alberta coal mines will likely accept the National Union of Fire Bosses, local No. 4, as bargaining agent.

Application for the union to act as bargaining agent was made to a board of industrial relations meeting in Edmonton yesterday. Alberta fire bosses will be asked to endorse the union in this capacity.

# MAN CLAIMS RAT SPOTTED

Call out the militia! Send for one of the Bonnies!

A rat has been seen in Edmonton's hinterland.

According to police report, John Bonfield, a man who describes himself as a rat hunter from away back, saw one of the dreaded rodents yesterday out at Imperial Oil refinery.

Bonfield told police the rat lives in a hole beside one of the oil tanks.

"If you stand still," he said, "it will come out and look at you."

Field judging of farms entered in the Chamber of Commerce Shale-Soil competition has been practically completed, but results will not be available for more than a month.

More than 20 entries have been inspected by the panel of judges headed by Gordon R. Sterling, supervisor of soils and weed control for Alberta department of agriculture. He is being assisted by W. J. Whitbread, district agronomist, J. E. Duggan of the Chamber Save-the-Soil committee, and district agriculturalists in the four municipalities, Sturgeon, Morinville, Stony Plain and Strathcona.

This is the opinion of George H. Lantz, vice president of the Canadian Association of Garrettsmen.

Mr. Lantz is in Edmonton to confer with lumber exporters. He predicted that exports would continue normal, and that lifting of restrictions would materially help the Canadian dollar situation.

Flowers for bachelors should be cut with a razor, states a horticulturist.

# CNR Hotel

Head Confers In Edmonton

Results reported by CNR before

—Misses Jasper Park and Pines, Nova Scotia—all have more successful seasons, according to Robert Somerville, Ottawa, general manager of the CNR hotel chain.

Mr. Somerville arrived in Edmonton on his way to Jasper Park to attend the annual Totem Pole golf tournament.

More than 200 entries have been received for the completion this year which starts Monday.

While in Edmonton he is conferring with Charles Finlay, manager, Macdonald hotel, on plans for 300-room extension.

Jasper Park summer season will terminate with the Canadian Weekly Newspapers Association convention starting Monday, September 12. More than 200 delegates are expected to attend.

A party of 200 American railway ticket agents will stop over for two days at the mountain resort, arriving there on September 12. Mr. Somerville stated. This party is enroute to a convention at Seattle.

 Look in the section in which your birthday comes and find what your outlook is, according to the stars.  
**FOR SATURDAY, SEPT. 2, 1949**  
 March 21 to April 20 (Aries)—Quite likely you will not have clear sailing today. Be on guard especially in money, business matters. Personal affairs may concern, but don't strain. They need gentle handling.  
 April 21 to May 20 (Taurus)—Speculation about here for financial matters. Investments, real estate, general work conditions will concern you. Natural aptitudes will receive the daily efforts.  
 May 21 to June 20 (Gemini)—Stimulating vibrations all day. Hate your enemies so that you can cover important issues first. Have no stubborn convictions, be sensibly mobile in thought for best results.  
 July 21 to July 21 (Cancer)—Some bold and daring effort needed now. Some indifference to unusual facts. One way, try others' suggestions where good, reasonable.  
 July 22 to August 21 (Leo)—We suggest you digest each matter as it appears on your agenda, and don't anticipate trouble. Develop worthy friendships, be amenable and reap more and feel better.

## Eskimos To Help HS Teams

Members of the Edmonton Eskimos will assist in coaching high school teams this fall.

Last night John Parina, director of the Recreation Commission, announced that Bill Radovich, Pat West, Dimitri Goloubef and Andy Marefos will assist in coaching four of the six teams in the high-school league.

Radovich, Eskimo line coach, has been assigned to Eastwood and West will aid Greenwood-University. Marefos and Goloubef will be at Westview and Victoria, respectively.

Don Loucks, Toronto product who may catch an end position with the Eskis, continues in charge of Stokus and quarterback Bill Stukus is likely to help Steve Olander with the gridgers from St. Joe's.

The high school season opens September 23. Games will be played every Friday and Saturday at Clarke Stadium.

## Elliott Cops Gun Shoot

Lindsay Elliott dominated the shooting show at Millers' Gun Club last night, pacing the field at trap, double, and handicap.

He had a perfect 25 at trap, 20 at double, and 23 in the handicap competition. The old pro was all by himself in the trap and handicap departments, but Walter Muirhead duplicated his feat in the doubles.

No fewer than seven fired 24's at trap, some being Andy Anderson, Bill Mayne, Bill Lohman, Walter (Hotshot) Spearshot, Pat St. Peter, Muirhead, and Charlie Campbell.

**TRAPS**—Elliott 25, Anderson 24, B. Mayne 24, Lohman 24, Campbell 24, St. Peter 24, Muirhead 24, Barry 24, G. Mayne 24, Turner 24, Don Pacy 24, G. Mayne 24, Bill Betty 24, Grant Blackman 24.

**DOUBLES**—Elliott 23, Muirhead 20, Anderson 19.

**HANDICAP**—Elliott 23, Anderson 22, Turner 21.

## Grid Jrs. Pick Heads

Jack Reilly, Recreation Commission athletic director, was elected chairman of the junior football league executive last night.

Others named to the junior council were H. L. (Buddy) Williamson and Jack Buchanan from Edmonton Athletic Club, and Frank Arnold and Art Jackson of Maple Leafs.

Gordon Ingram will act as secretary and Bud Marquardt represents WPUU Eskimos on the council.

Schedule will commence September 18 with Maple Leafs playing KAC. Last manager Ted Allard said last night that a third junior club, to be known as the Eskimos, might be formed. This would make a three-team circuit which would be more satisfactory than a two-team league.

In any event Edmonton will be represented in the Alberta final by an all-star outfit to be called Eskimos. The sudden-death provincial championship game with Calgary is tentatively billed for Clarke Stadium, October 23.

The league executive will meet with high school officials next week to discuss the player situation. Last fall relations between the schools and the juniors were strained due to a disagreement regarding who should have first claim to high school athletes.

EARL EISEY . . . Ready for Stamps.

## STUKUS LIKELY TO DRESS

Football fans may witness two playing coaches in action when Eskimos tangle with Calgary Stampede at Clarke Stadium Monday night.

Possibility of Eskimo chief Annis Stukus coming to grips with Stampede Les (king for a day) Lear was revealed last night when Stukus may play dress for the game.

## Coaches May Clash Monday

It is understood that Stukus will be in uniform if Pat West is still on the sidelines with his infected leg. West has been absent from practices for three weeks due to an operation for a cyst on his left leg and is almost certain to sit out the Calgary game.

It is considered likely that Lear, a former lineman with Detroit Lions and other American professional clubs, will play in a guard position.

Should be some fun when coaches reach head on!

## HOT OFF THE GRID

Eskimos plan to drill lightly each day from here to kick-off time Monday, and will stage a full dress rehearsal tonight and Sunday.

Trainer Bert Hunt reports all players, with the exception of West, in good shape.

Thirty men will dress for the game, including Harry Irving, who plans to leave for McGill university on September 15. . . . Game time Monday is 8:30 p.m.

In response to many inquiries manager Al Anderson announced yesterday that all Edmonton home games will be played at night. . . . Dates for games at Clarke Stadium are Sept. 5, 10, 12, and Oct. 1, 2, 24 and 31.

Ticket sales for the Calgary game have been brisk, with over 5,000 tickets purchased up to last night. . . . With a break in the weather, Anderson expects 7,500 people to be on hand for the Labor Day encounter.

Dr. M. M. Danworth, Touchdown Club president, is arranging the half time entertainment in the absence of Joe Shooter. . . . Much of Shooter's "floor show," including a wild west show and night lighting, has been eliminated. . . .

**BACK to SCHOOL CLOTHES**

## Fair Ousted From U.S. Amateur Golf

ROCHESTER, N.Y., Sept. 2.—(AP)—Little Bobby Fair, who carried Canada's banner farther in the United States amateur golf championship than anyone since C. Ross (Standy) Sommerville won in 1932, bowed out yesterday in a fifth-round match.

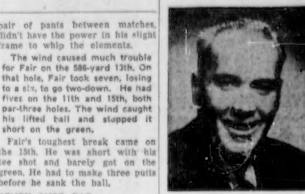

The 19-year-old University of Toronto student lost to Frank Stranahan, Rushing, N.Y., the Long Island champion, 3 and 2, in a match that was played by lightning rain and winds that whipped the Oak Hill course at between 25 and 30 miles an hour.

The 13-year-old Scarborough golfer who has been drying out his one pair of pants between matches, didn't have the power in his right arm to whip the elements.

The wind caused much trouble for Fair on the 580-yard 12th. On that hole, Fair took seven, leaving to a six to go two-down. He had fired on the 11th and 10th, both par-three holes. The wind caught his lifted ball and stopped it short on the green.

Fair's toughest break came on the 13th. He was short with his tee shot and barely got on the green. He had to make three putts before he sank the ball.

## COVERS GOLF TOURNAMENT

**GORD WILLIAMSON**  
 Complete coverage of the Alberta Open and Western Canadian Championships, Sept. 2, 4, 5, will be provided by CPN, on behalf of Calgary Ginger Ale, in a series of fifteen minute broadcasts direct from Mayfair Golf and Country Club with Western Canada's sports analyst, Gord Williamson, at the mile. The first broadcast will be heard at 6:45 p.m., Saturday, Sept. 2.

## Cardinals Go Two Ahead of Bums

BROOKLYN, Sept. 2.—(CP)—Brooklyn's battling Dodgers are waiting for those pesky St. Louis Cardinals to crack under pennant pressure in the last month drive to the wire.

So far, the breakdown has failed to materialize, the Cards reeling up another win yesterday—a 4-0 triumph over Philadelphia—while Burt Shotton's Dodgers were splitting a pair with Cincinnati.

**TWO GAMES BACK**  
Brooklyn won the first game 11-4, but dropped the second 4-3 in 10 innings. Loss dropped Bums two games behind the pace-setting Cardinals.

Jackie Robinson got a homer, double and single and Pee Wee Reese three singles, each batting in three runs in the first game. Shotton was chased by Unipier Art Gore, who gave him the thumb for protesting a ball-and-strike decision in the Reds' fourth ninth inning.

In the second game, Dixie Howell tripled in the 10th and scored on Ted Klusmeyer's double to give Cincinnati the victory.

Howie Pollet shut out the Phils with five hits in chalking up his 17th victory against eight defeats. Three Cards' rallies in the sixth were nipped. Defeat dropped the Phils into the second division, with New York Giants taking over fourth place.

Giants walloped Pittsburgh 10-0, despite Ralph Kiner's 20th homer of the season, a grand-slam effort in the fourth inning. But the New Yorkers collected three homers of their own, plus eight other hits.

Warren Spahn became the National League's first 15-game winner when Boston Braves won 8-0 over last-place Chicago Cubs. Most potent Boston blow was a homer and a pair of singles by catcher Bill Sudfeld that drove in five runs.

**YANKS HAIL BROWNS**  
Over in the American loop, New York Yankees pulled out another of their now-damned close wins, edging St. Louis Browns 4-3 to strengthen their hold on first place. With a 2-0 victory, the Yankees who walloped Boston Red Sox 7-0, the Yanks picked up a full game on the runner-up Sox and now lead the pennant race.

A seventh-inning home run by Hank Bauer with one on providing the Yankees with their winning margin.

Cleveland Indians won their 17th straight extra-inning contest, beating Philadelphia Athletics 21-20 in the 11th inning, which scored Thurman Tucker from second.

Dick Wicks, rookie Washington right-hander, walked 13 batters in seven innings as Chicago White Sox defeated Senators 5-4.

## Calgary Takes Game Lead in Western Fastball Series

CALGARY, Sept. 2.—(CP)—Taking advantage of costly Saskatoon Dorn errors, Calgary Erie's moved into a game lead in the Western Canada Senior Men's Fastball semi-finals by defeating the Saskatchewan representatives 6-4 here last night.

A crowd of 1,500—largest of the current season—watched as the Saskatoon club made a game stalling in the seventh inning when against the high-touted Calgary but against the club's victory by booting the ball at crucial points in the game.

Carl (Pee Wee) Gill gave a smart mound performance for Erie's hurling five-hit ball. He was in trouble in the seventh inning when Saskatoon scored three runs but it was due mainly to two errors, only one charged to the Calgary club during the game.

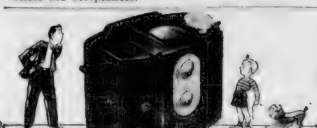

Prices issued on the offerings of Saskatoon pitcher Jim Cotts for 12 1/2, supplied by Gill's trip in the sixth inning.

**GIANT WEDDING** is in store for West Point cadet Ralph Stephenson and 1960 bride-to-be June McFarland of Yonkers, N.Y. When couple won \$4,000 on radio show, cadet unthinkingly invited everyone to wedding. These are acceptances.

You can learn to operate this camera in no time at all!

The streamlined Anaco Panda Camera is really easy to use. Takes just a minute or two to learn how to work it.

For the lens in this camera is factory-focused, so that you know your pictures will be sharp and clear. You can take any subject from 6 feet to infinity.

All you do is hold the camera at waist level—center your subject in the big, brilliant viewfinder—snap the automatic shutter—and you've got a picture!

And what pictures you get! There are 12 of them on each 35 roll—each one 2 1/4 by 3 1/4 inches. Plenty big enough, so that you can see what you've taken without a magnifying glass.

The Anaco Panda Camera makes a wonderful present for kids—for a friend—and for yourself. At our special economy price.

Only \$4.90

Practically takes pictures by itself!

**MARSHALL-WELLS**

## Dominion Share In Housing Grows

Provincial Responsibility May Be Shared By Ottawa

OTTAWA, Sept. 2.—(CP)—Canada's critical housing shortage may cause the federal government to take a greater share of housing responsibility which normally belongs to the provinces, the Central Mortgage and Housing Corporation said today.

Never before has the housing situation been as bad as it is now, the corporation said in a brief prepared for the Royal Commission on Arts and Science development.

It gave its views on housing because of that factor's impact on cultural development. A Canadian was influenced, said the corporation, by the sense of satisfaction or dissatisfaction of the house in which he lives and the security which it affords.

More than that, the design of a house was a physical expression of the Canadian way of life. Society attempted to control nature to form its own environment. This environment in turn shaped society and moulded the lives of individuals.

The corporation noted that the current period is a transitional one in which the roles of federal, provincial, municipal and private authorities are being defined.

While it was true that housing merely was a matter of property and civil rights and therefore a

provincial and municipal government responsibility, the federal government was finding itself more and more involved as the ultimate housing authority.

**FEDERAL LEADERSHIP**  
The corporation maintained that if the federal government wants to have a greater influence on the way communities are being shaped, it has to lead the way. Its own buildings, it adequately constructed, could set an example.

Another way could be through public education, and the corporation recommended:

1. A central special library be set up. This would contain books and documents dealing with housing and planning. It could form part of the proposed national library and its literature distributed so that it reached every Canadian community.

**PHOTO DISPLAYS**  
2. A collection of photographs of homes should be gathered to illustrate the historical development of domestic architecture and the

basic part of these should be supplied by individual consultation with the government housing, in whole or part, the costs of persons unable to contribute.

Dr. Anderson urged better liaison between the medical profession and the press to insure accuracy, reliability and greater appeal in medical news.

Twelve young Albertans have won scholarships at the two provincial schools of agriculture as the first and most urgent because of hospital costs for every citizen. The Olds and Vermilion, Alta.

## RCAF Sets Up Operational Unit On East Coast

OTTAWA, Sept. 2.—(CP)—An RCAF operational squadron and an operational training unit will be formed at Greenwood, N.S., shortly, air force headquarters announced today.

The new unit will be called No. 83 Maritime Squadron and will fly specially-fitted, four-engine transport aircraft. Its primary duties will be coastal reconnaissance, anti-submarine operations and general naval cooperation work.

The squadron will be based at Greenwood, N.S., and will be responsible for the defence of the Maritime Provinces. It will also be responsible for the defence of the Gulf of St. Lawrence and the St. Lawrence River.

The training unit will be based at Greenwood, N.S., and will be responsible for the training of personnel in the Maritime Provinces. It will also be responsible for the training of personnel in the Gulf of St. Lawrence and the St. Lawrence River.

## Seed, Feed Freight Aid Extension West Urged

WINNIPEG, Sept. 2.—(CP)—The Northwest Line Elevators Association has written Agriculture Minister Gaultner proposing extensions of free freight assistance to feed and seed shipments into the drought areas of Saskatchewan and Alberta.

Clair Lamont, president of the association, yesterday made public a letter recently written to Gaultner, and urged that it also be made public.

Since 1941 the federal government has been paying freight from the nearest railhead to the drought areas of the prairie provinces.

"We consider that the (famines of) western Canada, and particularly those in the drought areas, are deserving of the same subsidies that are extended to feedstuffs in other parts of Canada," the letter said.

"It would permit the drought areas farmers to obtain their essential livestock and to engage in feedstuffs and poultry for marketing and to carry on dairy operations at least in even competition as to costs with farmers and feeders in other parts of Canada who now are favored with the freight subsidy."

## SHOPPING GUIDE

Nifty Knitting Kits  
For Nimble Fingers

By Les Torrey

Diamond sweater and socks will be apportioned by even the tiniest member of the family, if mother has nimble fingers and helpful patience.

Knitting kits containing sufficient wool for sweater, sock and mittens to suit your size, color and pattern, suit for \$2.00.

Three color combinations are available in the fine, three-ply bolan wool—pink, blue and white.

white, yellow, blue and pink; blue, white and yellow. Easy-to-follow directions and charts are included in the package.

Think your hands are just too small to handle a ball of beautiful diamond sweater wool? Don't worry. These small size kits contain 30 cents each, contain small size in 2 varieties of color combinations. Directions are included for all sizes to make it that much easier for you to whip up the perennial favorites.

Just one counter over from the kitchen sink, a small size kit of 30 cents each, contain small size in 2 varieties of color combinations. Directions are included for all sizes to make it that much easier for you to whip up the perennial favorites.

In the kitchen sink, one of these small size kits will transform the teen-age son into the king of the red-tailed hawk.

One is very small to be a king, with knight and horse on the front in red and brown. Same thing is available in dark brown and white, with contrasting design.

Prestigious little kits are also available in a variety of colors. One is a small size kit of 30 cents each, contain small size in 2 varieties of color combinations. Directions are included for all sizes to make it that much easier for you to whip up the perennial favorites.

Lightweight and hand-knitted in authentic colors, these kits are sharp as a tack on a tailored suit of wool fabric. Pin about two inches long suits for \$1.50.

Practically everyone has troubles and problems and most of these people are trying to solve their troubles. The last straw in the balance of making this possible is often depression or irritability or pessimism of someone who lives close to them.

If you cannot pull yourself out of the slump, if you cannot get your mind clear, if you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE!

If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE!

DOES THIS picture of Actress Dorothy Lamour make you long for days that are gone? If it does, you're missing the fun of today and the future.

## WHY GROW OLD

Those Who Live in Past  
Refuse Fun of Today

By Josephine Lowman

Not long ago I received a letter from a reader which impressed me greatly. She asks that I do not print her letter, therefore I will give you the general idea.

This same idea has been repeated many times in my mail.

This woman and her husband are in their thirties and are happy people. She says she is not going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE!

If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE!

If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE!

If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE!

If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE!

If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE!

If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE!

## BRIDGE

Bidder's Confidence  
Nets Seven ClubsBy WILLIAM E. MCKENNEY  
It's always a lot of fun to watch my old friend Murray Gross play rubber bridge. Gross has two home towns, Asheville, N.C., and Miami Beach, Fla. The other day in New York he picked up the North card

North		South	
♠	A	♠	K
♥	Q	♥	J
♦	10	♦	9
♣	7	♣	6

Gross did make the hand with a double ace. He won the opening lead of the queen of spades with the ace and went over to dummy by playing a small club to the jack. On the king of spades he discarded the ace of hearts.

Gross now led the ace of diamonds. If he discarded the jack of spades, dummy's nine would be good. He decided to lead the nine of hearts. Dummy's nine of spades was discarded and he won the last two tricks in dummy with the ace and five of hearts.

Gross now led the ace of diamonds. If he discarded the jack of spades, dummy's nine would be good. He decided to lead the nine of hearts. Dummy's nine of spades was discarded and he won the last two tricks in dummy with the ace and five of hearts.

Tobe on Fashion—  
Star New Suit Fashion—The Balenoisette Suit  
I wish I could think up a good on-the-road description of this important new suit fashion because "Balenoisette" is quite a mouthful to say.

It's the new type of dress-maker suit that was first brought out by Balenoisette in Paris three years ago—slim, in at the waistline and flaring slightly at the hips over a slender skirt. Actually the jacket seems to stand away from the hips—because it is slightly stiffened by a special interlining.

In small patterned wools, and worn with a handsome mix stole, the Balenoisette suit is certainly the smartest early fall costume a woman can have.

Pope Speaks Twice  
CASTLE, GONDOLEO, Italy, Sept. 2.—(AP)—Pope Pius XII spoke twice over the Vatican radio today. His address will be directed to Swiss Roman Catholics gathered at Lucerne and to German Roman Catholics meeting at Bochum.

Thomas Edison invented the phonograph in 1877.

One is very small to be a king, with knight and horse on the front in red and brown. Same thing is available in dark brown and white, with contrasting design.

Prestigious little kits are also available in a variety of colors. One is a small size kit of 30 cents each, contain small size in 2 varieties of color combinations. Directions are included for all sizes to make it that much easier for you to whip up the perennial favorites.

Lightweight and hand-knitted in authentic colors, these kits are sharp as a tack on a tailored suit of wool fabric. Pin about two inches long suits for \$1.50.

Practically everyone has troubles and problems and most of these people are trying to solve their troubles. The last straw in the balance of making this possible is often depression or irritability or pessimism of someone who lives close to them.

If you cannot pull yourself out of the slump, if you cannot get your mind clear, if you are going to be sad, DO IT ALONE! If you are going to be sad, DO IT ALONE!

## Household Arts

By Alice Brooks

Bluebirds sing happily when you are kind and lovely to them. Grasshoppers and other small insects are also happy when you are kind and lovely to them.

to a good job," he said. "I know the inside of the box with a different kind of paper."  
Nancy Jones said she had to keep two boxes of matches for the manufacture of the dolls because the dolls were made of paper matches. All that is needed was good glue, dolls' eyes and sturdy material. She said she was sure she could make the dolls without any special material that she and her husband were trying to manufacture. "You can easily learn to make a doll," she said. "I can teach you."

## Wetaskiwin Divn. Short 8 Teachers

WETASKIWIN, Sept. 2.—With schools opening yesterday, Wetaskiwin School Division No. 36 issued still short of teachers. There were vacancies at Ashcroft Hill, Pipestone, Springhill, South Pigeon Lake and Verdun.

Three smaller schools, which have only a small attendance, will be served by supernumeraries. These are Haver, Poplar Bluff and Rose River and will not open until a week later.

## Bail Granted Clive Accused

RED DEER, Sept. 2.—Herbert D. Guard, who had been held in the Red Deer jail since August 21 on a charge of kidnapping, appeared before Magistrate James Smith in Red Deer police court and was released on \$3,000 bail after being remanded until Sept. 8.

The Clive, Alberta, man is accused of assaulting Earl Gordon, also of Clive, on Saturday, August 18. Gordon died in Lacombe hospital while being treated for injuries allegedly received in a fight with Guard.

It is MORE than pigs at the Fogevik farm at Innisfail. They are subject of experiments by Knut Magnusson to produce a faster growing hog. Magnusson holds one of the subjects while Jack Stothard, associated with the federal experimental farm at Lacombe, gives it the once-over.

## Faster Growing Hog May Cut Production Period Expenses

By Ken Liddell  
Provincial News Editor

INNISFAIL, Sept. 2.—Knut Magnusson is trying to breed a hog that will grow in a hurry.

If he gets it, and it is a good bacon producer, he will have succeeded in reducing production costs because of shorter period of feeding.

He has been working on the project for 18 months, using real recognized Yorkshire, the Champion from Montana, and the Champion from Ontario, the latter bred by the late Dr. J. H. Anderson, a master farmer of the Canadian prairies.

Mr. Anderson—originally from Sweden and something of an adventurer who fought in the Mexican war and passed gold in Alaska—developed a 1909 homebred at Innisfail, Sask., into little sections and a shorthorn of the west.

He was 62 when he retired, including law in Calgary but couldn't stay away from the soil as when he moved to Innisfail where he developed long grasses that now supply half the Canadian market, grew registered Scandinavia wheat and Montana barley seed and raised Holstein dairy stock.

Mr. Anderson died in 1945 and two years ago, to carry on the work, Mr. Magnusson came to Canada from Sweden where he had been associated with the department of agriculture.

Today at this picturesque farm, where sweeping lawns are viewed from large picture windows, where you can stroll amid 50 varieties of trees or ride jumpers, Mr. Magnusson is at the moment concentrating on hogs.

**VARIETIES CROSSED**  
He has obtained co-operation of Canadian and American Agricultural authorities and packing plants in Edmonton, but it is too early to tell results.

In crossing these varieties he has the Yorkshire as the base. The Yorkshire produces the best bacon. The hybrids, he believes, will grow faster. Their basic value is to be proven.

Through use of infra-red lamp and cream pipes in the pens, how-

SURE, BUSY around here, isn't it? Yorkshires get a good start in life at the Fogevik farm at Innisfail where hog experiments are being conducted.

ever, Mr. Magnusson has accomplished one thing. With proper lighting and heating he is producing pigs from December to February, months when production usually lags. Thus he has produced for the market six months later when there is a shortage and prices are higher.

**ELECTRICITY AIDS**  
This practice is becoming common in many areas with electricity, but Mr. Magnusson has proven its feasibility.

As a newcomer Mr. Magnusson is reluctant to express his views on Canadian agricultural subjects, but he did say he believed that if Canada was to serve the bacon market the year around it must have pig the year around.

**ECA Allocation**  
WASHINGTON, Sept. 2.—(CP)—The Economic Co-operation Administration yesterday allocated \$1,500,000 to Norway for the purchase of textile products from Canada and the United States.

## IN OUR Province

22 EDMONTON BULLETIN, Friday, Sept. 2, 1949

## Uneven Ripening Slows Harvesting

Three Stages Of Growth In Sedgewick Crop Area

SEDGEWICK, Sept. 2.—Harvesting has begun in this district with some swathing, although it will probably be another two weeks before it becomes at all general. Reason for this delay is the uneven ripening of the wheat, which constitutes about 80 per cent of the acreage in this community.

Crops show three distinct stages of growth and now may be seen in the ripened, filled and blossoming stages in the same field. Because of the unevenness of development it is expected that swathing, combines and binders will all be seen in operation this fall.

According to L. Williams, district agriculturalist, fertilized fields are both earlier and more even in ripening. Test plots also show that the more fertilizer that has been applied the more beautiful the results have been. Nitrogen phosphates are the most commonly used fertilizers in this district. Addition of potassium to the soil is considered unnecessary, as there seems to be no lack of this element.

**12 BUSHEL AVERAGE**  
In Mr. Williams' opinion, crops in his territory should average about twelve bushels of wheat to the acre. In some places this figure will reach three times this yield, but on the other hand many fields have been plowed under, while cattle have been turned into others.

Many areas have suffered heavily from hail, damage in some places amounting to a hundred per cent. In general, however, prospects are much better than they were at the beginning of July.

## Prospects Good At High Prairie

HIGH PRAIRIE, Sept. 2.—Harvesting is in full swing in this area. Stocks stand large and thick and farmers believe prospects are for one of the best crops in history of the district.

Grain appears to have ripened quickly despite the wet weather and farmers are in a hurry to get complete cutting before the hands shell. Several fields have been swathed.

WASHINGTON, Sept. 2.—(AP)—United States exports dropped to \$66,000,000 in July, more than \$200,000,000 below the June level. The commerce department noted that complete exports dropped from \$200,000,000 in June to \$45,500,000 in July.

## WHITECOURT STAMPEDE LABOR DAY

WHITECOURT, Sept. 2.—Whitecourt is to have a stampede on Labor Day in addition to their usual children's sports and baseball tournament.

Dusty Hoffman and Jack Evans will be in charge and already the corral and chutes have been constructed. Interest runs high as there has been no stampede in Whitecourt since before the war. The performance this year will be held on the property of C. Kallom.

## Homing Pigeon Finish Is Close

DRUMHELLER, Sept. 2.—Young birds of the Drumheller Homing Pigeon Club, in their last race of the season, Rostown to Drumheller, came home in the closest showing of years with only a victory of 75 separating the winner and the fourth bird into the loft.

Results of the flight, some 200 miles under ideal weather conditions were: J. Saville, of Midland, first, velocity 878; T. McEne, of Newmarket, second, velocity 880; T. McNeill, of Midland, third, velocity 893 and J. Forshaw, of Newmarket, fourth, velocity 880. T. McEne was the young bird average for the season.
